IL DEK[®]

ITALIAN BISTROT

The Il Dek concept has also been brought to Ibiza, in the historic Plaza del Mercat Vell, where the charm of history blends with the island's vibrant nightlife. Here, guests can indulge in Italian cuisine featuring great classics, all within an elegant and intimate setting. The venue boasts one of La Marina's most picturesque terraces, offering breathtaking views of the Cathedral and the Mercat Vell. Il Dek provides continuous service with an open kitchen until 1 AM, complemented by a bar in pure Italian style.

Il Mondo Dek is distinguished by its commitment to Mediterranean seafood and Tuscan cuisine. Our philosophy revolves around Italian culinary classics, authentic flavors, and simplicity. The gastronomic experience is elevated by a prestigious wine selection, featuring renowned reds from Tenuta Masseto and Marchesi Antinori, as well as exceptional whites from Italy's historic wine regions. The selection is further enriched by iconic French labels such as Château Margaux and Château Lafite, ensuring a refined and meticulously curated dining experience.

For those seeking an even deeper immersion into Italian culture, Pizzeria Adiós, located next to Il Dek, offers a terrace with views over Mercat Vell. Here, guests can enjoy authentic Neapolitan tapas such as fried pasta frittatine, Mozzarella in Carrozza, Montanara fritters, and a wide selection of fresh salads, all leading up to classic Neapolitan pizzas made with top-quality ingredients from Naples. The atmosphere at Adiós is infused with a deep passion for Neapolitan culture, both in its menu and décor, paying tribute to the legendary Diego Armando Maradona—as reflected in the name, "Adiós." The pizza selection features premium ingredients such as San Marzano tomatoes, Parmigiano Reggiano, Buffalo Mozzarella, and black truffle, ensuring an authentic and flavorful experience. Pizzas can be enjoyed at any time of the day, accompanied by a refined selection of Italian wines by the glass and classic cocktails, including Americano, Negroni, Daiquiri, and Spritz.

Its interiors, characterized by vibrant colors and pop design, reflect the eclectic style of owner Francesco Secci,

creating a lively and welcoming atmosphere. The space is further enriched by a charming outdoor area overlooking the 13th-century Swabian fortress. The world of Dek stands out for its commitment to Mediterranean seafood and Tuscan cuisine. Our philosophy is rooted in Italian culinary classics, authentic flavors, and simplicity.

This selection is further enriched by iconic French labels such as Château Margaux and Château Lafite, ensuring a refined and meticulously curated dining experience.

Driven by his passion for cured meats, Francesco Secci launched a new venture following the opening of Il Dek: an artisanal fish charcuterie project. This led to the creation of Shark, a craft workshop specializing in eight different types of fish-based cured meats-which include tuna bresaola, swordfish lonzino, octopus bacon, smoked salmon and cod, fish sausage, tuna roastfish, and the original Sharketta sauce, made with cod, paprika, and Chianti herbs. These products are distributed to restaurants, delis, specialty shops, bars, and wine bars.

SHARK

WINE BAR

Shark is also a wine bar, a small and intimate venue adjacent to Il Dek Bistrot, featuring an outdoor seating area with a stunning view of the Castello dell'Imperatore. Here, guests can enjoy charcuterie boards, focaccia, sandwiches, and tapas, made with both traditional cured meats and artisanal fish charcuterie. The culinary offering is rounded out with crudité and sushi, while a carefully curated wine list and expertly crafted cocktails enhance the experience, making Shark the perfect spot for a relaxed yet refined gastronomic getaway.
